Call Mark Folger at (316) 209-0253 or email to: folgersgym@aol.com

Tentative Schedule – Sessions will begin Friday and end Sunday. Every effort is made to make each team's schedule as convenient as possible. With multiple sessions for many levels it is usually possible to put a team's sessions early in the weekend or late, which will keep your weekend short. A final schedule will be available on or before December 15th.

The Facility – The WSU Heskett Center gym has 5 full sized basketball courts, an indoor track and permanent bleachers. We use the 3 center courts for competition and a 4th court for 2 awards areas. Concessions and bathrooms are adjacent to the gym. The size of the facility allows us to run 2 sessions at once. We have hosted 30 meets, including 5 USA Gymnastics Regional Championships, in this facility and have heard nothing but good comments from past participants.

The Awards – We break sessions into small age groups and give out many more awards than required by USA Gymnastics. Custom medals and trophies are made for each year (this is our 24th NYI).

The Competition – The NYI has averaged approximately 1100 gymnasts for the last 10 years with many upper level gymnasts competing.

Coach's Hospitality – JAG Booster Club keeps the coach's hospitality room stocked with food all weekend. They will have meals at mealtime and snacks the rest of the time. This room is quite and comfortable, but if you have a few minutes for a more relaxing break, there is always the Heskett Center lobby where you'll find couches and football on the big screen TV.

FREE T-shirts – Every gymnast entered in the NYI receives a FREE meet T-shirt. Coaches can purchase them for \$9.
